**From Gaza and the West Bank: University Students Gather Towards A National Reconciliation**

“We are one people and there is no actual division. We have more similarities than differences. We work on the same cause that the division made”, said Dr. Abdalrahman Ibrahim during one of the three sessions where students and professors shared their research summaries across three universities in Palestine... more
Pal-Think publishes three papers on nonviolence
Collecting experience of nonviolent conflict resolution and peacebuilding; three experts reflect on their countries’ respective struggles to solve local conflicts and establish stable societies. They take a comparative approach with the Palestinian cause to show how it can benefit from the global movement of nonviolence in resolving its own conflicts. To download and read more, click here.

On Volunteerism: Acceptance and Refusal
Opinions differed between youths who expressed care about volunteering as it both helps hone their practical skills and paves them a way to give back to their communities whereas others adhered to their firm decisions of not volunteering, fearing to be used by employers...more
